

A NEWSLETTER FOR THE MEMBERS OF THE HAWAII (OAHU) ONCOLOGY NURSING SOCIETY CHAPTER  
SPRING 2014

## PRESIDENT'S MESSAGE ROBIN EASLEY, RN, MSN, OCN

**Robin Easley,  
RN, MSN, OCN  
Hawaii  
ONS President**

Happy New Year and Aloha to all our members. This is going to be a new era for the ONS as we begin to use improved technology in multiple venues.

We are now using PayPal on our chapter virtual community for our dinner attendees. This will be an exciting time for our chapter as we will be helping to support our local charities and making donations during the year.

It has been my pleasure to serve as

the President for the past year and look forward to the upcoming New Year.

Once again, we are looking for volunteers to help support the Hawaii (ONS) board members. We did not get any nominations for our open slots. Our local chapter cannot continue to exist if we do not have support from the membership. Please contact me if you would be willing to serve this year.

I would also like to send out a thank you to our current officers

and committees in their diligence and service during this past year. You have made a difference to our chapter.

As we start 2014, we will continue to support our patients, families, caregivers, and community as we have over the past several years.

Mahalo!
